

FYI: Stained Glass Gallery

Photographic Presentations of New Work and Recent Restoration

“FYI: Stained Glass Gallery” features new work and recently completed restorations. Work presented is selected from among the submissions received to highlight what is happening right now in the world of stained and decorative art glass. This section of *The Stained Glass Quarterly* is open to everyone creating stained and architectural art glass for religious, corporate, public, or private buildings. For information on sending work for consideration, e-mail webmaster@sgaaonline.com, or call the Stained Glass Association of America headquarters at 800.438-9581.

For more information on “FYI: Stained Glass Gallery” and to view Galleries from past issues, visit www.stainedglass.org.

Creative Glassworks

Jacksonville, Florida

Private Residence
Atlanta, Georgia

This dome is an installation in a 40,000 square foot private residence in Atlanta. This dome features a true, continuous radius; all of the more than 900 pieces in this skylight were slumped and then leaded. It is designed after a Tiffany-style wallpaper which is also used in the residence.
Total size 14.5' x 4.5'.
